These Purchase Order Terms and Conditions (these “Terms & Conditions”) are an agreement between Buyer and Vendor consisting of these Terms & Conditions; all Purchase Orders; the terms contained on Buyer’s Vendor Resource Website, including, without limitation, those in the Vendor Guide, and in Buyer’s vendor portal; any Buyer addenda referencing the Purchase Order; and any attachments, instructions or requirements provided by Buyer to Vendor (all of the foregoing are incorporated herein by this reference and collectively referred to as the “PO Terms”). The PO Terms are binding with respect to all purchases of Goods by Buyer from Vendor.

Definitions

“Affiliate” means any entity that directly, or indirectly through one or more intermediaries, controls, is controlled by, or is under common control with a party. “Control,” including the terms “controlling,” “controlled by” and “under common control with,” for purposes of this definition, means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of an entity, whether through the ownership of voting securities, through membership, by contract or otherwise.

“Buyer” means Big Lots Stores, LLC or its Affiliate, as named in the Ship To box on the applicable PO, or that is otherwise the purchaser of Goods from Vendor.

“Buyer’s Vendor Resource Website” means the site located at www.biglots.com/corporate/vendors.

“Goods” means the items of merchandise referenced in a PO, or that are otherwise the subject of the PO Terms, including all components, packaging, labeling, printed materials, designs, images, logos, copyrights, trademarks, service marks, trade names, trade dress, and visual and digital information of or related to such merchandise.

“Purchase Order” or “PO” means any Buyer order or other purchasing agreement or document for the purchase of Goods from Vendor whether issued in hard or electronic copy, through electronic data interchange (“EDI”), or otherwise.

“Ship”, “Shipped”, “Shipping”, or “Shipment” means transporting the Goods by Vendor into the hands of the ocean/freight carrier for delivery to Buyer.

“Vendor” means the entity or person that is named in the Purchased From box on the applicable PO, or that is otherwise the seller of Goods to Buyer.

“Vendor Guide” means the then-current Buyer Vendor Routing and Compliance Guide, Domestic Merchandise Vendors, and its related documents, the most current version of which can be obtained by visiting Buyer’s Vendor Resource Website and clicking “Routing and Compliance,” or by going directly to www.biglots.com/corporate/vendors/ routing-and-compliance.

1. Purchase Order. Buyer’s commitment to purchase Goods arises only upon Buyer’s issuance of a PO to Vendor. Any forecasts, commitments, projections, representation about quantities to be purchased or other estimates provided to Vendor are for planning purposes only and shall not be binding on Buyer, and Buyer will not be liable for any amounts incurred by Vendor in reliance on such estimates. Unless Buyer agrees in writing in advance, regardless of industry standards, no variances with respect to quality, quantity, size, capacity, volume, content or other standard measure of Goods are allowed. Buyer and Vendor agree that any PO may be transmitted to Vendor by Electronic Data Interchange (EDI) and Vendor will be bound by all such POs and all such POs will be governed by these PO Terms which are automatically incorporated therein. No Vendor packing or cartage charges are allowed unless agreed to by Buyer in writing.

2. Shipping Goods to a DC. Vendor must comply with all processes and instructions contained in the Vendor Guide for routing and shipping goods to a Buyer distribution center or other non-store location designated by Buyer or listed in the PO (each a “DC”), including, without limitation, utilizing <https://mip.logistics.com/login.jsp> for routing freight collect POs, and contacting tmsappointments@biglots.com for scheduling freight prepaid POs. A detailed packing slip must accompany each Shipment of Goods. The PO number and all other information as required by the Vendor Guide must appear on the bill of lading (“BOL”), invoice, packing slip and shipping cartons. Vendor should see the Vendor Guide for full instruction and must comply therewith. Unless expressly stated differently on the PO from Buyer, title to and risk of loss of the Goods passes from Vendor to Buyer upon receipt of the Goods at Buyer’s DC or the location otherwise designated by Buyer in the PO.

3. Shipping Goods to a Buyer Store. Vendor must comply with all processes and instructions for shipping Goods to a Buyer store contained in the Vendor Guide. A detailed packing slip must accompany each shipment of Goods. The PO number and all other information as required by the Vendor Guide must appear on the BOL, invoice, packing slip and shipping cartons. Vendor should see the Vendor Guide for full instruction and must comply therewith. Unless expressly stated differently on the PO from Buyer, title to and risk of loss of the Goods passes from Vendor to the Buyer Affiliate operating the store to which the Goods are delivered.

4. Inspection of Goods. Goods are subject to Buyer’s inspection, but Buyer is under no obligation to unpack or

inspect the Goods before resale thereof. Buyer’s inspection, testing, payment for or retention of Goods does not: (a) constitute acceptance of Goods not in compliance with the PO Terms; (b) affect Buyer’s right to reject or return Goods; or (c) constitute a waiver by Buyer of any of Vendor’s representations, warranties or covenants, or any of Buyer’s rights or remedies, under the PO Terms, at law, in equity or otherwise.

5. Cancellation. Buyer may cancel a PO, in whole or in part, for its convenience, without liability, at any time prior to Shipment of Goods. In the event of Buyer’s cancellation for convenience, Buyer’s liability to Vendor will be limited to the unit price of Goods Shipped prior to such cancellation (as such Goods are otherwise in compliance with specifications and these Terms & Conditions). If Vendor fails to Ship Goods before the “cancel if not shipped by date” in the subject PO, that PO will be cancelled automatically on such date, unless otherwise directed by Buyer in writing, and Buyer will have no liability to Vendor including acceptance of back ordered Goods in connection therewith (and without waiver of any remedies in Section 6 of these Terms & Conditions that may accrue to Buyer). Buyer has the right to reject late Shipments at Vendor’s expense and Buyer shall be subject to the remedies available hereunder.

6. Buyer Remedies. If: (a) Vendor fails to route, Ship or deliver as required by a PO; (b) Goods are not the same as the approved samples; (c) Goods are not as ordered and/or do not conform to the specifications in the PO; (d) Vendor does not Ship the Goods in the quantities specified in the PO; (e) Buyer deems that the Goods are damaged or defective; or (f) Vendor is otherwise in breach of the PO Terms, including without limitation any breach of the Vendor Guide, Buyer may, at any time, as to any or all Goods, without authorization from Vendor, and subject to the other terms hereof: (i) accept the Goods; (ii) cancel the subject PO for cause; (iii) reject the Goods; (iv) refuse to receive the Goods; (v) revoke prior to acceptance of the Goods; and/or (vi) in the case of early Shipment of Goods, reject and return the Goods to Vendor, with all Return Costs (defined below) to be borne by Vendor, to be held by Vendor, at Vendor’s cost, for Buyer until the original date specified. In the event of any of the foregoing, Buyer will not be liable to Vendor for any amount, except to pay for any goods Buyer accepts based on the unit price of the Goods ordered, subject to the right to offset and withhold payment as provided in Section 9 of these Terms & Conditions. Any cancellation, rejection, refusal to receive or revocation of prior acceptance by Buyer with respect to any Goods will not serve as a cancellation or rejection of any future shipments of Goods, unless Buyer exercises its right to cancel future POs or shipments. Acceptance of any Goods is not a waiver of any of Buyer’s rights or remedies under the PO Terms, at law, in equity, or otherwise.

7. Disposition of Rejected Goods. Unless Buyer and Vendor have signed an agreement to the contrary, with respect to Goods Buyer has rejected, refused or revoked acceptance of, Buyer, at its sole option, may return such Goods to Vendor and Vendor will be liable for all costs and expenses related to the return, including, without limitation, the landed cost of Goods; freight (inbound and outbound); storage, labor, packaging and any other processing or handling costs and charges incurred or charged by Buyer; and lost profits (“Return Costs”). Unless Buyer and Vendor have signed an agreement to the contrary, if Buyer elects not to return the Goods because: (a) the return of Goods is precluded by applicable law or regulation; (b) the Goods contain a defect that could create substantial risk of injury to person or property; (c) Buyer has reasonable cause to believe Vendor intends to dispose of Goods in violation of Section 8 of these Terms & Conditions; or (d) Buyer, in its reasonable discretion, deems return of the Goods inadvisable, then Buyer may dispose of the Goods in a manner Buyer deems appropriate. In the event of such disposal, Vendor will be liable for all costs and expenses related to the disposal, including the landed cost of Goods; freight (inbound and outbound); storage, labor, packaging, disposal and destruction, and any other processing or handling costs and charges incurred or charged by Buyer; and lost profit.

8. Vendor Disposal of Goods. Vendor agrees that it will, at its sole expense, remove, or otherwise make permanently illegible, all of Buyer’s and its Affiliates’ names, trademarks, trade names, logos, service marks, and other identifying information from all Goods returned by Buyer. In addition, Vendor agrees that it will not use, resell or otherwise transfer to any third-party Goods returned by Buyer without the express prior written consent given by an officer of Buyer. If any Goods incorporate Buyer’s trademarks or if any Goods are proprietary or incorporate designs exclusive to Buyer, Vendor must provide to Buyer a reasonable opportunity to inspect such products before disposal or resale and follow all such instructions of Buyer regarding modifications to or destruction of such Goods. Vendor agrees to abide by all of Buyer’s guidelines relating to the proper disposal of rejected goods and the issuance of appropriate certificates of destruction, as applicable.

9. Payment & Taxes. Vendor may not charge Buyer, and Buyer will have no obligation to pay, prices for Goods higher than those specified in the applicable PO. Prices in the applicable PO are complete and include, without limitation, shipping, packaging, labeling, custom duties, storage, insurance, boxing and crating. No additional charges of any type may be added without Buyer’s prior express written consent. Buyer may deduct from any payments to Vendor any amounts owed by Vendor to Buyer under the PO Terms, including, without limitation, amounts due in connection with Vendor’s indemnification obligations, any damages for breach to which Buyer is entitled, and any charges or penalties for non-compliance with Buyer’s requirements. In addition, following Buyer’s receipt of any demand, claim or action that may give rise to Buyer’s right to receive
